

Carson City Photo Competition Guidelines and Topics

A first, second, and third place winner and a “Winners’ Choice” will be selected each month from photos meeting the criteria below.

2. The print must
 - be no smaller than 8 X 10 inches;
 - be mounted or framed so it can be hung for display. If a frame is used, the frame needs to take up minimal space, to avoid dominating the display area.

 - conform to the “Monthly Photo Topic” subject matter;
 - reflect use of software only to enhance images and remove items, but not to add anything to the photo;
 - be accompanied by a card placed in front of the photo, listing the photo name, location and time of day it was taken, camera used, f-stop, shutter speed, focal length, ISO. Hidden on the back of the card must be the photographer’s name.
